

The EUROPARC Federation recognises that the **Matsalu National Park** continues to fulfil the requirements for adherence to the European Charter for Sustainable Tourism in Protected Areas.

CHARTER AWARD

The **European Charter for Sustainable Tourism in protected areas** (ECST) supports parks and regions towards becoming sustainable destinations, based on 5 principles:

- Giving priority to protection
- Contributing to Sustainable Development
- Engaging all stakeholders
- Planning sustainable tourism effectively
- Pursuing continuous improvement

Sustainable Tourism in European protected areas provides a meaningful quality experience, safeguards natural and cultural values, supports local livelihoods and quality of life, and is economically viable.
